

## STRIDE HYDRASORB ENTRANCE MATTING

Stride Hydrasorb is a heavy duty, indoor or outdoor Entrance Mat. It is used recessed in entrances or lifts or loose laid in entry ways or lobbies in Commercial buildings, schools and shopping centres.

- Coarse, raised hobnail shaped tufts ensure a powerful scrub to remove dirt and debris from footwear.
- High absorbing polypropylene surface dries shoes quickly.
- Hardwearing fibres gives the mat a long lifespan.
- Can be un edged for mat recesses or edged for loose laying.
